

Double Hanging Swing for Toddlers

Double Hanging Swing for Toddlers

A swing seat for the youngest children, suitable for nurseries and primary schools. It is made of hot-dip galvanised steel finished with a stove-enamelled powder coating. The fasteners are made of stainless steel and covered with plastic protective caps to increase durability and safety. The VVZVHP102-10 swing is certified to STN EN 1176. A grass mat is recommended as the safety surfacing.
