

Double Hanging Swing

Double Hanging Swing

The double hanging swing with a classic seat and a baby seat is made of hot-dip galvanised steel finished with a stove-enamelled powder coating. The fasteners are made of stainless steel and covered with plastic protective caps to increase durability and safety. The swing is certified to STN EN 1176. A grass mat is recommended as the safety surfacing.

Specifications

Hanging Swing - Double is certified according to STN EN 1176

Age Group:	3-14 years
